Your Title there: _____

Address: _____

City _____ State: _____ Zip Code: _____

Date first employed there (give month and year): _____

Please describe your previous title and job. Tell us enough so we can match you with the curriculum to be taught at the Institute:

EDUCATIONAL BACKGROUND

Please tell us about your educational background. List your degrees. In particular, please tell us if you are a teacher, and/or have any teaching experience, especially with youth, and especially related to the environment. Also list any relevant courses you have taken (highlighting several key courses is sufficient); any relevant books or articles you have written; or any other information you wish to tell us about. Remember that the purpose is to match your qualifications with coursework to be taught to teenagers, so please emphasize those courses, skills and experiences.

OTHER EXPERIENCES/OTHER AFFILIATIONS

Please tell us about any other skills, experiences, other affiliations, etc. (especially those related to the environment) in your background that you believe would be useful in helping to teach/be a role model to minority students during the Institute. Include any organizations to which you belong that you believe would be relevant/useful to students.

Will your employer be able to cover your expenses (travel, lodging, meals, etc.), should there be any, for the time you are volunteering at the Institute? _____

If yes, please tell us which expenses they will cover. All expenses? Just travel?, etc. _____

Note: Meals, lodging, and other daily expenses incurred during the Institute will not exceed federal or most state/private organizations per diem for the Santa Fe, NM area.

OTHER POINTS/REMINDERS

NHEC greatly appreciates your willingness to volunteer your time to share your technical, knowledge, environmental experiences, any science equipment you may bring, and your heritage with students. It will certainly make a difference in their lives and in what they learn. As discussed in the invitation letter to you, NHEC will ask you to volunteer a minimum of a half day at the Institute, and will match your background to the curriculum. However, you can spend more than 1 day at the Institute, should your schedule permit. Based on discussions with you, as well as your resume, availability, and the curriculum, NHEC will schedule your participation in the Institute. NHEC reserves the right to make revisions to the curriculum and schedule of activities, if necessary. For more information, please see the "Fact Sheet" and other Institute materials, or call NHEC at 703-683-3956.
