The 12th Annual MINORITY YOUTH ENVIRONMENTAL TRAINING INSTITUTE

"10 Days of Learning, A Lifetime of Experience"

An Environmental STEM Initiative August 1 – 10, 2013 • Las Vegas, New Mexico

(You must fill out this Form completely)

Please fill out this form and include it with your Application package. You must submit the Medical Form for your application to be considered. You must fill out the Form completely, if you leave out any information, your application will not be considered. Use additional paper as necessary.

NHEC needs this information so that Institute staff will know—in advance—of any special medical conditions you may have, rather than learning about them during the Institute, should a medical emergency arise. Also, in the event of injury or illness, this Form provides medical personnel with key information regarding your medical history. Because of this, it is vital that you be as complete, accurate, and truthful as possible. This Form is not used to screen out applicants.
